Hi Guy,

Firstly, I'd like to thank you for the extremely beneficial meeting that you organized between me and your client Mouldcor.

As I said at the meeting; "You're not just a pretty face"

Regarding the editorial, we will trim it down a bit but loved the way you approached and covered everything.

Very good idea to place the banner strip ad at the bottom of the page – good thinking.

Will try our best to return the subbed version to you by tomorrow.

Best regards,

Marlene.
